

-How many games have you played?

1,5,2

-Did you enjoy?

Yes x2, No x1

-What didn't you like?

Gravity is tricky to handle

Missiles hard to land on target (gravity)

Not possible to customize timer

-What did you like?

Fun to play 1v1 (x2)

Game was running smoothly

-Would you play that as a couch game (does it need to support controllers?)

Yes (x3)
